

# Economic Viability and Environmental Sustainability

How to Impact Your Future Career

*Kristy Ganoë, Ph.D.*

Friday,  
February 6th

12:00-1:00 pm  
145 Spes Unica

Dr. Kristy Ganoë will discuss how to:

- open a business centered on environmental sustainability
- implement a crowd-funded pop-up summer school for grown-ups

Learn about the **Summer Sustainability Institute**: a crowd-funded opportunity to explore a world-positive lifestyle.

Incorporate solutions from **Evolutionary EcoSolutions LLC (EES)**, an energy company focused on reducing consumption.
